## INDUSTRIAL RIDE-ON SWEEPER, BUILT FOR HEAVY INDUSTRY

The Magnum is a robust industrial ride-on sweeper designed for demanding internal and external environments. Built on a heavy-duty steel chassis, it delivers high productivity, reliable debris collection, and simple day-to-day operation across large sites.

Our core fleet specification is the electric version, chosen for its low noise, zero emissions, and suitability for indoor operations.

LPG or diesel variants are available where site conditions or duty cycles make them essential.
